Good afternoon Mr. Carroll,

I am in receipt of your correspondence dated 24 September 2018. While we disagree with the issues you have raised in your correspondence, we would like to point your attention to some additional information. Eightfold Development Austin is a development and management company for a development in Austin Texas. Panache is the general contractor for the mentioned project. Our companies have been registered with the state of Texas, and the domain is owned by the entities. We are not in a position to address all of the issues that have been raised in your correspondence, we have to defer to our general counsel to formulate a proper response, but wanted to send this to you as a courtesy. I will be traveling the rest of the week, but when I get back to Texas I will make an appointment with our council to see how we can move forward.

Thank you,

Adam Zarafshani
